**Yallaroo Majestic M3**

---

**Yallaroo Moondyne M2 ( Poll )**

Again the team will present two Poll Hereford bulls that are great representatives of the breed. Yallaroo Moondyne M2 Born 23/3/16 is sired by Days Calibre G74, ( Poll ) the sire of the top price of \$14,000 in last year's team. Days Calibre sold for \$90,000. Moondyne has all the attributes of the Calibre sons of excellent muscle, thickness and hooded eyes. Miracle M12 Born 1/4/16 is by Mawarra Mustang (Poll ) A sire making his mark on the world with semen sales to many countries. Combining length, depth and outstanding growth for age, Miracle has potential to be a real impact bull in the industry.

**Yallaroo Miracle M12 ( Poll )**

---

**Yallaroo Marshall M35**

Yallaroo Marshall M35 and Maverick M37 are both sired by home bred Yallaroo King K5, a sire sold at the 2016 Brunswick Supreme sale for \$15,000 and bought by the Lotus Hereford Stud NSW. Both are thick deep bulls with terrific muscle, are bulls ideally suited to the beef industry needs. At 15 months old, Marshall weighed 790kg, terrific daily weight gain for a paddock run bull. Both bulls have terrific docility and great breeding females in their back ground

---

**M37 Yallaroo Maverick M37**

---

**Yallaroo Mason M19**

While a little younger, Yallaroo Mason M19 Born 29/4/16, lacks nothing in displaying thickness and easy fleshing ability, with the renowned Hereford easy doing nature. By the home bred sire, Yallaroo Harvey H46

A safe bull producing both bull and heifer progeny suitable for the industry. Yallaroo Miller M36 spent 12 weeks covering the yearling heifers on Yallaroo in 2017. Born on 7/6/16 Miller has continued to grow and is ideal for heifer mating with well laid in shoulders and head shape.
